

Ché Essentials Chemistry Scholar Award – Semester 2, 2025/2026

My life was transformed by chemistry and I want to share that spark.

Chemistry fed my curiosity and gave me a way to engage with the world on a whole new level. It rewires your brain, sharpens your thinking, and elevates your problem-solving in ways that can transform your life far beyond the lab. Every experiment, every formula, every “aha!” moment opened my eyes to the beauty of patterns, reactions, and possibilities all around us. Chemistry didn’t just teach me patience and precision: it gave me a new lens to see the world on a molecular level, and that perspective still inspires me every day.

Now, as a proud UWI alumna and owner of Ché Essentials Skincare & Spa, I want others to enjoy chemistry as much as I do. This scholarship is my way of giving back to the department that shaped me, while celebrating students who bring science to life in their own unique way.

The **Ché Essentials Chemistry Scholar Award** is not just about grades: it’s about passion, creativity, and the kind of curiosity that can change the world (or at least make a lab report a little more exciting).

Eligibility Criteria:

- Must be pursuing a **Chemistry major** within the Faculty of Science & Technology
- Must have a **Degree GPA of at least 3.3**.
- Must be willing to **act as an ambassador** for the Ché Essentials Chemistry Scholar Award (e.g., provide a testimonial or short reflection after the award).

Award Package:

- 🎓 **Full coverage of Semester 2, 2025/2026 registration fees & FS&T fees**
- 📖 **2-hour end-of-semester study session** with Dr. Bridgeman-Maxwell (*The Science Plug*)
- 🐱 **After-exam self-care:** facial at *Ché Essentials Spa* + a relaxing massage at *Berry’s Reviving Touch*

Application Deadline: November 30, 2025

Scholarship Application Form

Personal Information

1. Full Name: _____

2. Student ID Number: _____
3. Date of Birth: _____
4. Countr of Birth: _____
5. UWI Email Address: _____
6. Contact Number(s): Home: _____ Cell: _____

Academic/ Enrollment Information

6. Current Degree Programme: _____
7. Current Year of Study: _____
8. Current Degree GPA: _____ (Attach proof)
9. Have you paid for Semester 2 already? ☐ Yes ☐ No

Supporting Information (Answer ONE essay prompt from section 10. and you MUST answer section 11.)

10. *Chemistry is “central to our existence and provide inside into how we interact with the world around us.” I want to learn about you, your love for chemistry, your interaction with chemistry and your big dreams (so make your answer fun). Word count: 250–300 words.*

- If your journey in Chemistry so far were a chemical reaction, what would it be?** Describe the reactants (your influences), the process (your studies), and the products (your future goals).
- Imagine you are an element on the Periodic Table of Life.** Which one are you and why? How will you bond with the world to make a positive change?
- Write a love letter to Chemistry** — the good, the bad, and the lab explosions — and tell us where you see this relationship going.

11. In 150–200 words, explain how this scholarship would support your academic and personal journey.

Attachments Required

- Copy of most recent transcript (official or unofficial).
- Proof of payment for Semester 2, 2025/20226 (where applicable)
- Proof of enrollment at the University of West Indies, Cave Hill Campus
- One reference (must be one of your UWI lecturers).

Declaration

I hereby declare that the information provided is true and complete. I understand that false statements may result in disqualification from the scholarship.
